“Wildly inventive.”
— Natalie Zutter, *Lithub*

“Extremely memorable characters into bewildering situations. . . . also stirring tales of rebellion, in which ordinary people escape from confinement, organize their neighbors to protest injustice and speak out against abuses.”
— Charlie Jane Anders, *Washington Post*

★ “Inspired.” — *Booklist* (starred review)

“The Liminal Books deserve a place on the bookshelf alongside ambitious fantasy series like Marlon James’s *Dark Star Trilogy* and N. K. Jemisin’s *Broken Earth Trilogy*. Big, ambitious, wildly inventive and full of heart. *Heroes of an Unknown World* displays the voice and verve that are staples of Ayize Jama-Everett’s work. Dive in, you will love what you discover.”
— Victor LaValle, author of *The Changeling*

“One of the mostly deeply weird novels I’ve read in some time . . . hallucinatory and dreamlike . . . gritty and naturalistic.”
— Gary K. Wolfe, *Locus*

“Genre-defying. . . . a page-turner, a wild ride, and an immensely enjoyable read.”
— *Ancillary Review of Books*

★ “Laced with eerie portents of supernatural horror.” — *Publishers Weekly* (starred review)

“Spectacular.” — Isaac Fellman · “Luminous.” — Maya Deane · “Beguiling.” — *Publishers Weekly*

In this playful and aching short novel, an unnamed trans woman is on an epic journey to find the place where she belongs. As she navigates her many realities, she must wrestle with anxieties and fears about the world. Her son and her ex live in another state. Environmental disasters are being outsourced to the Midwest. She can't decide whether or not to unbox the companion automaton under her bed. And some of her friends may not just be ghosting her, they might not even be real.

OKPsyche is a fever-pitched odyssey through the joys, fears, and weirdness of trans adulthood, parenthood, and selfhood in the contemporary world.

★ “It’s up to the reader to slowly discover who’s real and who isn’t, to see how the ghosts and fairy folk and mysterious notes get the narrator through on her difficult journey. DeNiro’s novel is a lyrical, emotionally powerful story about what it means to try and find a place for yourself in the midst of a hurricane of climate disaster, violence, and fear. It’s a story told through weird, ghostly, haunting fantasy. Fans of enigmatic speculative fiction like *Our Wives Under the Sea*, by Julia Armfield (2022), will enjoy this tale of queer parenthood, of the reality of the sharp fear of trans lives, and of complicated self-discovery.” — *Booklist* **starred review**

“Kij Johnson has an unrivalled gift for making the unreal real and the real unreal.” — Ursula K. Le Guin

A collection of fourteen astonishing stories that explore animal intelligences, gender, and the nature of stories.

The Privilege of the Happy Ending is award-winning writer Kij Johnson’s long-awaited second collection, following the celebrated *At the Mouth of the River of Bees*. Contained here is Johnson’s speculative fiction from the last decade, ranging in form from classically told tales to playfully post-modern work drawing on medieval dream manuals, Icelandic spell books, and the OuLiPo manifesto.

The collection includes the two World Fantasy Award-winning stories “The Privilege of the Happy Ending” and “The Dream-Quest of Vellitt Boe,” as well as the illustrated book of signs, “The Apartment Dweller’s Stavebook,” and two never-before published works. Here you will encounter dreamlands, talking chickens, stranger beasts, and also the ghostly spectre of Toad Hall.

A fabulous debut of folk tales and fantasies by an award winning author and illustrator.

Small fires start in the hearts of Kathleen Jennings’s characters and irresistibly spread to those around them. Journeys are taken, debts repaid, disguises put on, and lessons offered — although not often learned — in these fantastic tales. Jennings’s confident voice lulls readers into stepping off the known paths to find “Undine Love,” “The Heart of Owl Abbas,” and further unexpected places and people.

Praise for Kathleen Jennings’s books

“An unforgettable tale, as beautiful as it is thorny.”
—*The New York Times Book Review*

“In spellbinding, lyrical prose Jennings lulls readers into this rich, dreamlike world. Lovers of contemporary fairy tales will find this a masterful work.”
—*Publishers Weekly*, **starred review**

“I love the imagery, the atmosphere, the incredible tactile quality of the world as described, the structure. . . . Some of the best prose I’ve ever read.”—*Smart Bitches, Trashy Books*

“Half mystery, half fairy tale, all exquisitely rendered and full of teeth.” — Holly Black, author of *Book of Night*
